

Parents are critical partners in a school's success. Just as your child's report card shows how your child is performing, this school report card shows you how your child's school is performing in multiple areas. It is designed to show the school's strengths and areas in need of improvement in order to ensure Utah schools are meeting the needs of all students. To learn more, see Parents' Frequently Asked Questions. ([/Documents/SchoolReportCardFAQ2020Final.pdf](#))
