Hello my name is Alex and I'm going to introduce you to my friends Jax, Mia, and Savanna. Savanna is good at figuring things out. Jax is good at electronics. Mia is good at finding clues.

I am the only one who knows what really happened.

Then lightning strikes.

Alex gasps, "What is going on?" It sounded like loud pounding on the roof. We all run outside.

They see a black circle floating over an abandoned park across the street. They walk closer to the black circle. It seemed to suck them in.

Mia yells "We should not enter!"

Alex says "Woah! We need to know what that is. It looks like a portal."

Jax said "I don't know, what if it's bad?"

And then the Portal sucked them in.

"What's going on?" said Alex.

“Oww!!” said all the friends.

“GUYS!” said Mia.

“WHAT,” said all.

“There are moldy fruits on the floor,” said Mia

“You are really good at finding clues.” said everyone.

After exploring, they found a store.

“LOOK LOOK! I found a store!” said Savanna

“Okay let’s go to the store.” said Alex “But why is the sky red and black?”

“I don’t know,” said Mia. They walk in the store. It smelled gross.

Alex said, “Wow, look at the FOOD!”

Mia exclaimed, “Okay I think there are no laws about food or quality of food, or food regulations so that is why the good is gross like that.”

Jax grabs a moldy, gross bag of mangoes. “EWWWW!” he shouts. He shows the grocery clerk. “This is expired!”

The grocery clerk says “Without no laws, we don’t care about food or people’s health.”

Yeah, then they go back to the real world. “Woah, now I know without laws the world will not be the same so that’s why we need laws,” said Jax. They go home and eat some mangos.
