Driving / No Driving

Characters:	Michael
Setting:	On The Road / In A House
Your rule:	Driving?

Once In The Year 3000 Everyone Can Drive. In Fact, I'm Five And I Drove To Fresh Market And Bought Breakfast Food For The Family and I Saw My Friend Jim The Giraffe Driving By And I Saw A Hippo Launching Cars At A Rhino. The Rhino Was Doing The Same Thing. This wasn't normal.

All of The Sudden A Portal Popped Up Out Of Nowhere And Before I Could Slam The Brakes I Already Went In. When I Woke Up, I Was In A Whole Other World, In A House. When I Looked Out The Window I Saw No Cars Whatsoever. Everyone Was On A Horse Or They Were Walking because this world had no driving in it.

I Found A Lamp. And As Soon As I Picked It Up A FREKING GENIE CAME OUT OF NOWHERE he Said If I Did Something To The Town That Made It Better, Then He Would Take Me Home. So I Did This I Did That. And I Brought Driving To The Town by teaching everyone how to make a car. And then how to drive it. I Went Back To The Same House And Went Home.
