Title: What is a world without having to go to school?

Characters:	Ellie, Ashe, Meep
Setting:	Outside, school
Your rule:	Not having to go to school

What is a world without having to go to school? This is my story about it.

Ashe was just sitting outside reading her book. Then Ashe started reading to her pet tea dragon Meep. Then Meep said: you need to go to school Ashe because you can learn more instead of just sitting under a tree all day and learn to read. Ashe said: Why though Meep, I read perfectly fine you said so. And you're pretty picky for a tea dragon. Then Meep said: Yes that is true but... school is nice you get to meet new people. But meep I'm not good at talking to new people. What is the whole point plus being here with you is nice. Meep: Well it is pretty nice to have you here even if you can be annoying sometimes. Wow thanks a lot, meep \*whispers jerk\*

### Have to go to School

Meep: You should try asking your mom if you can go to school Ashe. You'll meet new people and probably be friends. Ashe: that sounds kinda fun actually. Let's go ask her Meep. Meep: YES THE TIME OF MY LIFE. Ashe: Meep that's not very nice. Meep: sorry Ashe. Ashe: Okay let's just go ask okay? Meep: okay. Ashe's mom: Ashe let's go back to school shopping! It will be very fun! Ashe: Can I bring meep? Ashe's mom: what do you think this place is? A jail? Ashe: I guess that is a yes then. \*time skip to the store\* Ashe's mom: Hey Ashe do you like this notebook? Ashe: Oh yeah that looks good! I chose a lunchbox already and a backpack too. Meep: I bet I can fit in your backpack Ashe. Ashe: Since when were you interested in school Meep?

Meep: Don't ask Ashe: But I just did- Meep: I SAID DON'T ASK. Ashe:  
Okay, okay gosh calm down Meep. \*time skip\* Ashe: Good morning world  
oh how nice of a day you created for our family! Meep: Yeah good morning  
to you pal. Thanks a lot for waking me up so early
