

**Sunset View will be holding their
10th Annual**

Dragon Dash Obstacle Course

September 27-28

On September 27th-28th, we will be holding the 10th Annual Sunset View Dragon Dash Fun Run and Obstacle Course Fundraiser! Each child is encouraged to participate in the obstacle course that we will have set up on the north field of our playground. This is a non-competitive fun run and obstacle course. We encourage all children to participate and have fun. Each student who finishes the obstacle course will receive a medal and treat. Students who do not want to participate can be a part of our cheering section. Classes will run the obstacle course individually.

Parents are welcome to come and participate with their children. We will post pictures of the events at the end of each day.

Each grade level will work together to raise donations for field trips, science materials, and classroom books.

Dragon Dash Pledge Cards will be sent home. Please have these cards, and any donations collected, returned to the school by Thursday, September 28. We encourage safe practices while collecting donations; using social media and online ways of reaching out to friends and family rather than going door to door.

We are excited for this event and hope to see all of our students participating next week.

All donations are voluntary and students will not be kept from participating in activities if donations are not given.
