Karen Phair as Vice Chair - All in favor. • Review of Community Council Procedures • Review of RISE data - we are above state/district average in ELA, above the state/district average in Math, and above the state/district in Science • There is a learning gap between our demographics. We know that and are working to address it. • Science success attributed to the way teachers rotate standards • We are a TSI school so we are on a possible plan of improvement for our ML population as well as our students with IEPs. If we are on a plan we will become a CSI school. • We have made changes in our ML services, our tier 1 and tier 2 plans, as well as our Special Education department. • Review of Acadience Data comparing BOY to EOY for the past 3 years • Is it possible to do a reading hour in the library/gym when the school is open for lunch in the summer to combat the summer loss we see from EOY to BOY? • Discuss the Acadience Data Board in the Conference room to show the Benchmark status and Growth of all students in our school.

<p>4. 2023-2024 Plan</p> <p>5. School Safety</p> <ul style="list-style-type: none">a. Drop Off and Pick Upb. New Fencingc. Safety Week	<ul style="list-style-type: none">● We have a plan for a better use of the RISE Benchmark tests in grades 3-6 to prepare students for the assessments (vocabulary and testing platform)● We are one of the 4 districts in the State of Utah to reach the early literacy Goal● KEEP will be changing for next year - and Kinder students will be required to start the same day as the rest of the school. ● Have we seen a benefit from where we have been spending our money for Trustlands? Yes!● There is the potential to be hiring a new first grade teacher after the October 1 count. ● The new middle school is an area of concern (their hours will be 8:00-2:50)● No safe route walk out of the two new neighborhoods - there is no sidewalk.● Our job is to convince the city that we need a sidewalk - We will share the contact for Verne at the state so we can all email him in the next meeting asking him for the sidewalk/safe route● October 11 will be the next safe route meeting for the new middle school● Let Teri know if you are interested in being a member of the strategic plan for redoing boundaries● Find a way to get a crosswalk at 1400 W● Ask Verne about accessing the crosswalk at 360? Can he help change that policy if it impacts safety and flow fo traffic?● How to eliminate vehicle traffic and increase parent safety with students walking and biking to school● We have not been lokcing the gates because we don't have a process for the timing of gates being locked/unlcoked throughout the day● All exterior gates locked at 9 and unlocked at 3.● We will add signs to the gates with the hours they are locked.● Prek gate may have a different time?
